

MEMORANDUM

TO: All AA Groups in Los Angeles County

From: Concerned Members of Alcoholics Anonymous

Re: Receipt by General Services of Payment from the City of San Diego, California

Enclosed are two memoranda, and some related correspondence, explaining the concerns some of us have about the receipt, by AA General Services, of a cash payment in the amount of \$250,000 from the City of San Diego, California in connection with the 1995 International AA Convention. One of these memoranda is from those of us here in the Los Angeles area who are concerned that the receipt of this money may violate the Traditions of Alcoholics Anonymous. The other, entitled "Historical Events Leading Up To Writing The 'Minor Report'" is from Ms. Gay G~~~~, a former Regional Trustee of the AA General Service Conference, explaining her efforts to have this issue heard by the General Service Conference.

Also enclosed are copies of correspondence between Mr. Bob K~~~~, former trustee of the Los Angeles Central Office and Mr. Donald Meurer, Controller of Alcoholics Anonymous World Services regarding certain correspondence written by Bill Wilson concerning his view on the holding of International AA Conventions.
