My dear Harry:-
Just a line to express
our appreciation of your
tireless effort to make our
trip a pleasant one. We
did enjoy it a great deal
even tho' it was a little
themselves and we shall
always remember it as a
delightful change from
our usual routine.

Have been quite overwhelmed
with surgery since I returned
hence the delay in writing
my best to Mrs. C. Please

Most sincerely

Dr. W. B.

Dear Barry

Just a note to say that
your recollection dates of June 14
25 are fine for us. We shall
probably take most of next
all of the month off so whatever
needs you think us also. The
new dates suit us much better
than earlier. I had to talk
to Mrs. J. H. Staring too on the
phone the other day. Shall
look forward to seeing you
in Nov.

Sincerely

Doc

Dear Barry:—

We are looking forward
to our trip with much pleasure.
Have not read train reservation
& instructions yet. Please
advise me by air or wire
where I can send a suitcase
by express. Possibly to your
house or Cleo Summers or
some place when they are apt to
be at home.

Affectionately

Doc
